

# Three Wishes

Dear Lord, We have three wishes  
We hope that you grant them to be true.

Our first wish is to have a family.  
A family full of caring, laughter, love and faith.

Our second wish is to have great friends.  
Friends we can turn to for support, kindness, and joy.

Our third wish is to be loving parents.  
Parents of children that make us better people.

Our first wish came true many years ago.  
Our Mothers, Fathers, Grandparents, Brothers, Sisters are a wish come true.

Our second wish keeps coming true.  
You have brought wonderful people into our lives and we are proud to call them our friends.

You granted our third wish three times.  
You gave us three angels that will be with us always.

Our angels are our family.  
We cared for them, laughed with them, loved them, and prayed for them.

Our angels are our friends.  
We take them with us every where we go and will never go a day without thinking of them.

Our angels make us loving parents.  
Our three angels have made us stronger, loving, faithful people.

Our three wishes came true.  
Aubrey, Jillian, and Kristen.

Dear Lord, hold our angels in your heart as we hold them and you in ours.
